Subject: Spoke with the RA - Itinerary has changed

Hi All,

Just spoke with RA. We are now having a public meeting at 1:30 (tentative given logistics). I've attached the revised itinerary and started talking with Liane and Sara at the local EOC. Here's the information Shaun is looking for:

1. He wants to manage expectations around what the data will tell us.
2. Any information we have on the data.
3. What they will tell us.
4. How long this cleanup will take.
5. Status of the cleanup.
